Kamillia is an author of paranormal romances living in an upscale suburb of Cleveland, Ohio. Accused of being an actual witch herself by an ambitious group of businessmen with a dark agenda, she is surprised to find a man who resembles one of her fictional, alpha male heroes at her door offering her protection. Luca is an immortal Watcher from the River of Light. Sent to Earth to help Kamillia, whose true heritage has yet to be revealed to her, Luca is caught off guard by the fighting spirit of the woman and the way his human body betrays him in her presence. When research for her next novel requires Kamillia to travel to Italy, she and Luca are forced to join together despite numerous obstacles to overcome the evil of many centuries blocking a portal there. Only then, can she return to the problems awaiting her in her own city, with or without this stranger who has captured her heart but cannot share her future.
