Some endings bring new beginnings.

In this third book of the Kulipari series, the future of the Amphibilands has never looked so bleak. With Lord Marmoo stronger than ever and still maniacally bent on taking over the outback, Darel can't fathom why the Rainbow Serpent wants him to *lower* the Veil, the Amphibilands' only source of protection. But the Serpent's message is clear, and in preparation for the inevitable battle, Darel and the Kulipari go out in search of someone—anyone—to fight on their side.

In their travels, the frog warriors make a perilous discovery: the outback's water supplies are mysteriously disappearing. Without water, there can be no life. With the odds stacked against them, Darel and the Kulipari must take one final stand to protect their home, before it becomes . . . the Arachnilands.

The Kulipari trilogy comes to its thrilling conclusion in this action-packed adventure by NFL veteran Trevor Pryce and acclaimed comics artist Sanford Greene.
