Bryant & May on the Loose: A Peculiar Crimes Unit Mystery Christopher Fowler

The Peculiar Crimes Unit is no more—disbanded, finished, kaput. After years of defying the odds and infuriating their superiors, detectives Arthur Bryant and John May have finally crossed the line. While Bryant takes to his bed, his bathrobe, and his esoteric books, the rest of the team takes to the streets looking for new careers—until one of them stumbles upon a gruesome murder.

Now the Unit is back for an encore performance—in a rented office with no computer network, no legal authority, and a broken toilet. They've got until the end of the week to solve a mystery with links to gangland crime, the 2012 London Olympics, and a half-man, half-stag creature that's carrying off young women. It's the kind of case that Bryant and May live to solve . . . and it could be the one that finally kills them.
