Catching His Heart

Olivia Franklin suspected coming home to Jasper Gulch would mean eventually running into her first love, Jack McGuire. But she's adamant that she not repeat the mistakes that led to her broken heart. Yet from the moment she lays eyes on her former sweetheart, her resistance begins to crumble. The tall, handsome rancher made his choice all those years ago. He'd gone from the baseball diamond to a high-rise office and finally back home to the Double M—all without her. And no amount of centennial nostalgia can change the past. But the future is another story, and the pretty historian is about to get a lesson in romance from the lonesome cowboy she will never forget!

Big Sky Centennial: A small town rich in history...and love.
