Being one of the guys isn't all it's cracked up to be...

So when journalist Chastity O'Neill returns to her hometown, she decides it's time to start working on some of those feminine wiles. Two tiny problems: #1—she's five feet eleven inches of rock-solid girl power, and #2—she's cursed with four alpha male older brothers.

While doing a story on local heroes, she meets a hunky doctor and things start to look up. Now there's only one problem: Trevor Meade, her first love and the one man she's never quite gotten over—although he seems to have gotten over her just fine.

Yet the more time she spends with Dr. Perfect, the better Trevor looks. But even with the in-your-face competition, the irresistible Trevor just can't seem to see Chastity as anything more than just one of the guys....
