By using Hip Hop culture as a common ground between adult and teen generations, this curriculum is to be used as a resource that promotes 4 Points Of Character Development: •Violence Prevention •Community Responsibility •Self Awareness •Responsible Decision Making These practical life lessons focus on healthy character development in regards to values, money, music, drugs, prison, gangs, anger, sports and relationships These practical lessons focus on healthy character. We analyze the consistent rewards and consequences of the choices many make based on value systems present in Hip Hop culture, as well as why many continue to uphold these value systems; questioning which values should be kept and which values should be let go.
