Ollie's Odyssey

William Joyce

Ollie's Odyssey William Joyce

Can a beloved but lost stuffed rabbit save himself and other Losts from becoming the most feared designation of all: The Forgotten? Find out in this epic quest from the author of The Guardians series and the creative force behind *The Fantastic Flying Books of Mr. Morris Lessmore*.

Oswald is a favorite. Of all the toys in Billy's home, the stuffed rabbit takes top rank: everywhere Billy goes, so goes Oz. But being a favorite is more than a privilege—it's also fraught with danger. Because of Zozo.

Zozo has *never* been a favorite. An amusement park prize who was never chosen, Zozo has grown so bitter that, when the amusement park closes, he seeks revenge on every toy lucky enough to be a favorite. He wants them all to become The Lost, and even better, *Forgotten*.

When Billy accidentally leaves Oz under the table at a wedding, Oz finds himself on an unplanned adventure, kidnapped by the nefarious Zozo and his gang of creeps and faced with the momentous task of saving not only himself, but all the other stuffies who are "lost" as well...

With nods to *Toy Story* and *Knuffle Bunny*, but with that insouciant joie de vivre that is all William Joyce's and Moonbot's own, here's a look at what REALLY goes on with your stuffed animals when the lights are out.
