Swing That Music Louis Armstrong

The first autobiography of a jazz musician, Louis Armstrong's *Swing That Music* is a milestone in jazz literature. Armstrong wrote most of the biographical material, which is of a different nature and scope than that of his other, later autobiography, *Satchmo: My Life in New Orleans* (also published by Da Capo/Perseus Books Group). *Satchmo* covers in intimate detail Armstrong's life until his 1922 move to Chicago; but *Swing That Music* also covers his days on Chicago's South Side with "King" Oliver, his courtship and marriage to Lil Hardin, his 1929 move to New York, the formation of his own band, his European tours, and his international success. One of the most earnest justifications ever written for the new style of music then called "swing" but more broadly referred to as "Jazz," *Swing That Music* is a biography, a history, and an entertainment that really "swings."
