## **Clark on Surveying and Boundaries (20% off!)** Walter G. Robillard

Since 1922, generations of lawyers and surveyors have worked out the legal pitfalls of retracing original surveys and reestablishing lost and obliterated corners using the late Frank Emerson Clark's classic work *A Treatise on the Law of Surveying and Boundaries*. The Eighth Edition of *Clark on Surveying and Boundaries* maintains the proven, easy-to-use format of earlier editions while digesting the latest case law, regulations, and statutes. Cited in decision after decision, *Clark on Surveying and Boundaries* is recognized by surveyors and lawyers as the authoritative reference on surveying and subdividing public lands.
