Introducing Cyber Sonnets - The easy way to send a sonnet.

Card Text:

How 2B a Star

Lift up a candle toward the nighttime sky:  
The fire's halo might eclipse the stars.  
But blow it out, and when light's echo dies -  
The stars are there, like good things always are.

Your soul can be a candle or a flame -  
Or like those wondrous fireballs of light:  
A stellar furnace, called by other name -  
Your perfect beacon, shining through the night.

So live your life, as if you were a star:  
Send joy and goodness out into the night.  
Make every day: the best of what you are -  
Send forth the love, your heart gives off as light.

Behold the fire, show the world your flame:  
When good and light and hope become your name.
