The Power of Partnership is filled with powerful examples and extensive research that shows how a simple shift in perspective can help us break free of domination's shackles and discover the power and joy of partnership in every life relationship — and the book covers them all, including our relationship with ourselves, our loved ones, our co-workers, our community, our nation, and our world, as well as our relationship with nature and with spirit.

The book is visionary yet practical, providing solutions that go beyond conservative or liberal, religious or secular, communist or capitalist, worker or employer, male or female. The Power of Partnership provides us with the necessary tools to make major changes in our lives, to break free of the old habits and patterns of domination with their tension, fear, and unhappiness, and to grow and thrive in partnership with all.
