The Threshold (The Alastair Stone Chronicles Book 3) R. L. King

"Alastair Stone is like Harry Potter meets Harry Dresden with a bit of Indiana Jones!" - Randler, Amazon reviewer

"I didn't think I could be any more in love with the protagonist than I was in the first book, but he's grown. Developed a more human, more vulnerable side as the result of events of the first book. Still amazing, snarky, and cool as hell, but deeper now and more connected with the people around him." - Shawna Reppert, award-winning author of *The Stolen Luck* and *Ravensblood*

"Stone is a completely believable protagonist and, frankly, damned likeable. We all wish we had college profs as engaging as he is!" - Silas Sparkhammer, Amazon reviewer

It's been less than a month since Alastair Stone, Jason Thayer, and Jason's sister Verity discovered a monstrous conspiracy to take over our world one mind at a time. The battle in San Francisco struck a major blow--but it didn't eliminate the threat.

Not even close.

Where do the Evil come from? How did they get here? As Stone, Jason, and Verity dig deeper into these questions, they make a shocking discovery about the nature of the Evil--and what happened that opened the door into our dimension. What they find sends them on a desperate cross-country race from the wilds of West Virginia to the dark neon wonderland of Las Vegas as they attempt to stop the Evil at its source before it's too late.

From a new colony of Forgotten to a powerful and mysterious gray mage with unclear motives, they will find help in their efforts--but will it be enough?
