Reality sucks. Make-believe rocks. That's been Fate Floyd's motto for as long as she's been a fantasy geek. But now she can hardly tell what's real and what's not. She's been spelled and mysteriously trapped within a deadly fairy tale world bound by the Book of Fables. Her only way home is to travel through the book's 8 unfortunate fairy tales and change them into happily-ever-afters. And if dealing with scheming sorceresses, greedy goblins and heartless faeries isn't enough to test her sanity, there's Finn. The Scottish boy who looks like he stepped straight out of her dreams. Fate wants to believe in her own happy ending, but the reality is, her road to freedom isn't straight and danger lurks around every bend.

Perfect for lovers of fairy tale adaptations and fans of *The Ugly Stepsister*, *Unenchanted*, and *Cinder*.

Genre: Young Adult Fantasy
