Fighting Heart: Fighting Heart Erotic Bad Boy Romance Series Book 1 (Fighting Heart - Erotic Bad Boy Romance Series) Nicole Hamilton

When someone as hot as Brandon Lynes first took an interest in me, I had to pinch myself. Not only was he amazingly hot looking, with a ripped body to die for, but the man was destined to be a star. And he wanted me!

Suddenly my life was amazing. I mean, just out of this world.

The college had been chasing me for the fees that I couldn't pay on account of bailing out my lousy brother, then suddenly the fees were paid. I was in the clear! I had a cloud over my head the size of Australia, then Brandon put me on cloud nine. Brandon gave me thrills and he gave me the brightest kind of future.

His body was amazing. Our intimate times were so intensely erotic sometimes I didn't know where I was. But sometimes the good guys can turn into bad boys before you know what's happening...

Yet even when Brandon changed, I just couldn't help the way my body was reacting to him.

At first I thought our whirlwind romance was heading for the complete love affair, game set and match. But when his wonderful proposal becomes something else - something way out of control – I didn't know where to turn.

Now I know desire can come at you from the strangest angles in darkest situations. I had always fought for others. Now it was time to fight for freedom, and my heart's desire, before the fire in my heart was burned out.
