Head, Neck and Orofacial Infections - Elsevier E-Book on VitalSource (Retail Access Card), 1e James R. Hupp DMD MD JD MBA, Elie M. Ferneini DMD MD MHS MBA FACS

Use best practices in effectively treating infections of the head, neck, and orofacial complex! **Head, Neck, and Orofacial Infections: A Multidisciplinary Approach** is the only resource on the market with in-depth guidelines to the diagnosis and management of pathology due to severe infections. No longer do you have to search through journal articles and websites, as this comprehensive, full-color reference covers both cutting-edge and time-tested approaches to recognizing and handling infections. From well-known OMS educator James Hupp and oral surgeon Elie Ferneini, and with chapters written by expert contributors, this book is ideal for use in the classroom, as preparation for the NBDE and specialty exams, and as a clinical resource for patient care.

- **UNIQUE! Comprehensive coverage of head, neck, and orofacial infections** addresses the diagnosis and management of pathology due to infections of the head and neck and orofacial complex.
- **Expert contributors** are drawn from the disciplines of oral and maxillofacial surgery, head and neck surgery, plastic surgery, and otolaryngology, and they provide state-of-the-art guidance based on extensive experience with current techniques as well as technological advances in managing head, neck, and orofacial infections.
- **Over 500 photographs, radiographs, and illustrations** demonstrate pathologies, procedures, and outcomes.
- **A logical organization** addresses these topics: 1) issues that are common to all infections of the head and neck region, 2) infections of specific parts of the region, and 3) infections related to certain procedures, types of patients, unusual organisms, and medical-legal implications.

Key chapters **include:**

- *Odontogenic Infections of the Fascial Spaces* chapter focuses on the etiology, clinical manifestations, anatomic considerations, and treatment of odontogenic infections.
- *Nasal and Para-Nasal Sinus Infections* chapter discusses the pathophysiology and management of nasal and paranasal sinus infections.
- *Microbiologic Considerations with Dental Implants* chapter reviews the issues associated with the prevention of infection with surgical implant placement, including the factors that are known to cause infection, the putative bacteria involved and means to control infection once it occurs.

From reader reviews:

Timmy Gallegos:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining for instance comic or novel. The particular Head, Neck and Orofacial Infections - Elsevier E-Book on VitalSource (Retail Access Card), 1e is kind of reserve which is giving the reader capricious experience.

Lewis Wade:

Information is provisions for those to get better life, information presently can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Head, Neck and Orofacial Infections - Elsevier E-Book on VitalSource (Retail Access Card), 1e as your daily resource information.

Charlotte Lee:

Is it you who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Head, Neck and Orofacial Infections - Elsevier E-Book on VitalSource (Retail Access Card), 1e can be the response, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?

Jeffrey Bumgardner:

What is your hobby? Have you heard in which question when you got students? We believe that that query was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And you know that little person similar to reading or as looking at become their hobby. You must know that reading is very important and book as to be the matter. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You get good news or update regarding something by book. Many kinds of books that can you choose to adopt be your object. One of them are these claims Head, Neck and Orofacial Infections - Elsevier E-Book on VitalSource (Retail Access Card), 1e.
