Layer, Paint and Stitch: Create textile art using freehand machine embroidery and hand stitching (Textile Artist) Wendy Dolan

This beautiful book guides the reader through Wendy's inventive style of work: from piecing and layering fabrics and creating textures to painting and embellishing with hand and machine stitching. This book contains a wealth of inspiration for any textile artist, showing how to create gorgeous, textured pieces of art and then, in the final chapter, offering inspiration for how to transform these pieces into three-dimensional items such as cushion covers, notebooks, 3-d vessels, and even a wedding dress, which Wendy made for her daughter. The book contains six beautiful step-by-step projects, broken down into three chapters: Architecture, Landscapes and Flowers, and at the end of each section there is an inspiring gallery of Wendy's other work.
