Stage Lighting Design: The Art, the Craft, the Life Richard Pilbrow

"Stage Lighting Design" covers the complete history, theory and - above all - practice of lighting design. It contains 450 black and white half tones, 60 colour photos and innumerable diagrams, lighting plots etc.

"Stage Lighting Design" is arranged in four sections: Design: the basic principles, illustrated with reference to specific productions; History: a brief survey of the historical development of stage lighting; Life: interviews with 14 other lighting designers, plus notes on Pilbrow's own career; and Mechanics: a vast section dealing with all the technical data today's designer will need
