Zina Hermez was just sixteen years old when she suffered a spinal-cord-injury after being hit by a car while crossing the street on her way to school. When health professionals predicted she would never walk again, she looked to God and her faith. “Not Without God: A Story of Survival” is about how one woman survived a devastating injury, learned to walk again despite all odds, and finally became a professional teacher. In a world where people with disabilities can start to feel invisible, she overcame her challenges. This book offers hope, insight, and ways to heal not just for people with disabilities, but for anyone facing adversity in their life.
