Nothing Left to Burn Patty Blount

From the YALSA and RITA Award-nominated author of *Some Boys*, a smoldering new contemporary YA about love, loss and finding a place to belong.

Dear Dad,

I promised Matt I'd do this-become a Junior Cadet. That I wouldn't let you break me down. I know you hate me. Blame me for everything you lost. But that day I lost my brother and my dad. You could never be proud of me, could you? I was too "different." So, just in case you haven't figured it out yet, I'm saying goodbye. Maybe someday, you'll miss me.

Reece

Reece's words make her ache. Amanda understands wanting to belong. As a foster kid, the firehouse where she volunteers is the only place that feels like home. She wants to help Reece, but his dad is her boss. And she won't risk her place as a Junior Cadet-it's all that she has. But when a string of arsons suddenly point to Amanda, her whole world is about to go up in flames. And the only way to save themselves is to risk getting burned.

Praise for *Some Boys*:

"A gut-wrenching story."-Library Media Connection

"A bold and necessary look at an important, and very real, topic. Everyone should read this book."-Jennifer Brown, author of *Thousand Words* and *Hate List*

From reader reviews:

Ebony Lower:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that will give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Nothing Left to Burn.

Karen Wilson:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Nothing Left to Burn can be the solution, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Ernesto Harrell:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book has been rare? Why so many issue for the book? But just about any people feel that they enjoy regarding reading. Some people likes studying, not only science book but also novel and Nothing Left to Burn or maybe others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science publication was created for teacher or maybe students especially. Those guides are helping them to include their knowledge. In various other case, beside science publication, any other book likes Nothing Left to Burn to make your spare time considerably more colorful. Many types of book like this one.

Omer Brown:

A lot of people said that they feel bored stiff when they reading a guide. They are directly felt the idea when they get a half elements of the book. You can choose the actual book Nothing Left to Burn to make your own reading is interesting. Your own personal skill of reading talent is developing when you including reading. Try to choose straightforward book to make you enjoy to study it and mingle the sensation about book and studying especially. It is to be initially opinion for you to like to open a book and go through it. Beside that the guide Nothing Left to Burn can to be a newly purchased friend when you're feel alone and confuse with what must you're doing of this time.
