Heritage of the Exiles

After the Fall of Atlantis, mages wandered as exiles in the wilderness, forced to eke a living without the protection of their grand city. With new eyes, they explored the world they had so long ignored, unhindered by Atlantean creed. They discovered that magic was not born in Atlantis - it had always existed, hidden in the land itself. Sometimes, even Sleepers knew more of it than mages. From this primal knowledge, the exiles created legacies whose names have reverberated throughout time.
