The Faith and Values of Sarah Palin: What She Believes and What It Means for America

Stephen Mansfield, David A. Holland

The Faith and Values of Sarah Palin: What She Believes and What It Means for America Stephen Mansfield, David A. Holland

She stepped onto the world stage as the Republican vice-presidential nominee in the election of 2008. Previously, she had only been a small-town mayor and the governor of a state with slightly more than half a million people. Still, there was something about her. She was pretty, fierce in her conservatism and she seemed undaunted by the slings and arrows of national politics. And there was something else, as well: there was a moral force that seemed to shape her life. As the world grew to know Sarah Palin throughout the 2008 campaign and in her subsequent public appearances and book, people began to see the force behind her: a deep, lifelong Christian faith. This faith was the lens through which she viewed the world, the bedrock of her politics, and even a primary influence upon her personality.

To understand Sarah Palin, it is essential to understand her faith. What faith principles, then, impact Sarah Palin's politics, and what are their implications for the Republican Party and the nation as a whole? These questions and more are answered in the fascinating new book by *New York Times* bestselling author Stephen Mansfield and his co-author David Holland. These authors were given extensive access to Palin's pastors, advisors, friends and family and it has allowed them to capture the moving story of Palin's faith, as well as the meaning of that faith for American politics and culture.
