The Thorns of Romance Dora Robertson

The Thorns of Romance is basically about the thorns on the rose of romance. The hurt, the agony, the broken heart and the difficulties we sometimes endure in relationships. If you've had a broken heart, then you can understand the story Sweet Acres. If you have loved deeply and in the end discovered you we're alone in your affections. Cabin by the Lake is about Joanna Miles a young woman who freezes her heart and opposes the mere thought of love. My Winter Vacation is about two Bff's. One of them will discover that sometimes you have to fight to get what you want. And as they say last but not least. I think I out done myself when I sat down and wrote Dirty. This story touches on abuse. But also our perceptions of what we think love really is. I hope you pick up this book and read these stories for yourself. Its a must read for young adults as well as the young at heart. Thank You
