ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Anatomy & Physiology, Fifth Edition answers the demand for a leaner version of Elaine Marieb and Katja Hoehn's top-selling **Human Anatomy & Physiology** while maintaining its trusted, accurate approach. This streamlined text excludes coverage of pregnancy & human development, heredity, and the developmental aspects of body systems, while maintaining coverage of key A&P concepts.

Marieb draws on her career as an A&P professor and her experience completing her nursing education; Hoehn utilizes her medical education and award-winning classroom instruction—together, they explain anatomy & physiology concepts and processes in a meaningful and memorable way.

The new **Fifth Edition** makes it easier for you to learn key concepts in A&P by presenting information in smaller and more digestible bites, making it easier to distinguish key concepts from supporting details. Additionally, the Fifth Edition seamlessly integrates accompanying technology into the book for a completely integrated learning system. Plus: All text and art features are now assignable in MasteringA&P®, providing professors with an easy way to give their students extra help on important topics. New “At the Clinic” case studies help you to learn by applying your knowledge of A&P to clinical situations.
