Water: New Short Story Fiction from Africa: An Anthology from Short Story Day Africa

Short Story Day Africa presents its annual anthology. The stories explore true and alternative African culture through a competition on the theme of Water. This is the third in the SSSDA collection of anthologies, which aim to break the one-dimensional view of African storytelling and fiction writing.

Short Story Day Africa brings together writers, readers, booksellers, publishers, teachers, and school children from all over the globe to write, submit, read, workshop, and discuss stories.

Rachel Zadok is the author of two novels: *Gem Squash Tokoloshe* (2005) and *Sister-Sister* (2013).

Nick Mulgrew is a freelance editor and a columnist for the *Sunday Times*, South Africa.
