Complicate Me: The Good Ol' Boys M. Robinson

It was complicated, it was also just the beginning.

A decision.

A simple choice.

There is always that one moment in life where things could have been different. That one moment where you could have chosen a path that would lead you down a certain road.

A different life.

It was easier to pretend that we were still best friends, and that she was my girl and I was her boy.

Pretending was better than knowing the truth...

I. Ruined. Us.

I had her.

I lost her.

I love her.

All I did was complicate us.

STANDALONE series. New Adult Contemporary Romance: Strong language and sexual content, not intended for readers under 18. Full length novel.
