Huntsman's Prey (Kingdom Series Book 7) Marie Hall

The long anticipated spinoff to the Bad boys series is finally here, the Dark Princess Saga begins with Hatter and Alice's daughter...

Rumors abound in Wonderland, of a dark princess named Chrysalis who bears the Moon's curse. Her beauty is beyond compare, and her madness... even greater than her father's, The Hatter. Death follows wherever she roams, and Danika—fairy godmother of all villains—knows this task is too great for her to handle on her own. She has no choice but to seek out the one they call Huntsman, his mission is simple: Find the creature, and destroy it.

But nothing is ever so simple in Kingdom. The moment the hunter Aeric steps foot in the mad, twisted realm he's enveloped in a reality that is neither wholly true nor fantasy. The key, the Cheshire explains, to ending the madness is for one to become mad themselves. The Huntsman has one chance to figure out the riddle before the beauty destroys them all...
