Selling Rights Lynette Owen

Selling Rights is a guide to all aspects of selling rights and co-publications throughout the world. The fifth edition of this authoritative handbook has been updated to include the changes which have taken place in technology, sales and distribution, and legislation in the UK and overseas.

It covers the full range of potential rights, from English-language territorial rights, book club and paperback sales through to serial rights, translation rights, dramatization and documentary rights and electronic publishing and multimedia. Lynette Owen provides full details of the historical and legal background to rights, advises on aspects of negotiating licence contracts and explains how to get the best possible deal.

This fully revised and updated edition of *Selling Rights* includes:

- changes in legislation in the UK and the EU following implementation of the EU Directive on Certain Aspects of Copyright and Related Rights in the Information Society
- information on the copyright situation in the United States, Australia and New Zealand
- advice on rights management systems and on the use of websites and e-mail promotion for maximizing rights sales
- low-priced licensed editions in developing markets and trading with non-copyright countries
- e-books, digital content aggregators, downloadable audiobooks, electronic rights for new platforms and digitization initiatives by new players such as Google and Amazon.

A handy guide, it is indispensable reading for all those seeking an authoritative source of information on selling rights.

From reader reviews:

William Deck:

Within other case, little persons like to read book Selling Rights. You can choose the best book if you'd prefer reading a book. As long as we know about how is important a new book Selling Rights. You can add understanding and of course you can around the world by way of a book. Absolutely right, since from book you can learn everything! From your country until eventually foreign or abroad you will be known. About simple point until wonderful thing it is possible to know that. In this era, you can open a book as well as searching by internet system. It is called e-book. You may use it when you feel uninterested to go to the library. Let's examine.

Deborah Tate:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, exactly what the best subject for that? Simply you can be answered for that issue above. Every person has different personality and hobby for every single other. Don't to be compelled someone or something that they don't need do that. You must know how great along with important the book Selling Rights. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Esther Tackett:

Typically the book Selling Rights has a lot of knowledge on it. So when you check out this book you can get a lot of gain. The book was compiled by the very famous author. This articles author makes some research before write this book. This specific book very easy to read you can get the point easily after looking over this book.

Virginia Doak:

This Selling Rights is great publication for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it info accurately using great arrange word or we can point out no rambling sentences in it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having Selling Rights in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world inside ten or fifteen minute right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt that?
