**The Coldest Place on Earth - With Audio, Oxford Bookworms Library: 400 Headwords** Tim Vicary

A level 1 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read.

Written for Learners of English by Tim Vicary.

In the summer of 1910, a race began. A race to be the first man at the South Pole, in Antarctica. Robert Falcon Scott, an Englishman, left London in his ship, the Terra Nova, and began the long journey south. Five days later, another ship also began to travel south. And on this ship was Roald Amundsen, a Norwegian.

But Antarctica is the coldest place on earth, and it is a long, hard journey over the ice to the South Pole. Some of the travellers never returned home.

This is the story of Scott and Amundsen, and of their famous and dangerous race.
