The Princess of the Fair contest is supposed to infuse and inspire students with school spirit. The winner should embody the qualities of Harriet Tubman, the schools namesake. But everyone knows it will turn into a nasty popularity contest where mean girls like Jasmine Benson will stop at nothing to win.

Written for young adults, the Urban Underground series confronts issues that are of great importance to teens, such as friendship, loyalty, drugs, gangs, abuse, urban blight, bullies, and self-esteem to name a few. More than entertainment, these books can be a powerful learning and coping tool when a struggling reader connects with credible characters and a compelling storyline. The highly readable style and mature topics will appeal to young adult readers of both sexes and encourage them to finish each novel. Paperback books look and feel like a trade edition and are complete in just under 200 pages
