**The Myth of Christ, Why Jesus is NOT the Savior** Ralph E. Harris

The Myth of Christ is written for the lay person who may have doubts about the origins of Christianity and the authenticity of the parables in the New Testament.

Have you ever wondered:

What was the real purpose of the gospels?

Is the Bible the inerrant word of God?

Was Mary, the mother of Jesus a virgin?

Did Jesus have any brothers or sisters?

What did Jesus look like?

Did King Herod really order the killing of all male children under 2 years?

Was Jesus of Nazareth the only miracle worker in the first century?

Did Jesus really live in Nazareth?

Did Jesus preach in the synagogue in Nazareth?

Was the betrayal of Jesus by Judas a real event?

Did the guards at the cross really gamble for his cloak?

How did the gospel writers proclaim Jesus= fulfilment of the prophecies of the Old Testament.

Ralph E. Harris has examined all of these questions and others through the writings of archeologists and Biblical text researchers to bring you answers to these questions and others. He has reached the conclusion that the entire story of Jesus as the Christ is a myth contrived originally by Jewish storytellers and revised by the early church fathers to conform to their beliefs. There is no book of the New Testament which has not been altered from the original even if only by translators converting the books from Greek to Latin or English. Each translator wants the books to express his own religious philosophy. This fact alone makes it obvious that the New Testament is not the inerrant word of God.

Using his analytical skills developed over thirty years in practice as an attorney as well as his passion for history, Ralph E. Harris dissects the legends in the New Testament in an attempt to disclose the truth about the mysteries of Christianity.

But you be the judge; read this revealing book and arrive at your own conclusion concerning the authenticity of the New Testament and the anecdotes of Jesus contained in the Book. You will find answers to the doubts you have always felt about Christianity.
