The art of becoming a sage mixes personal life experience with learning from ancient and historical people who have gathered their own wisdom. Sages know that they stand on the shoulders of those who have gone before.

In *Becoming a Sage*, international bestselling author and master storyteller Wegscheider-Cruse encourages readers to find their own personal path through a series of short stories, lessons learned and prudent quotes that validate each experience. Her stories span deep lows and soaring highs—a lifelong journey of lessons learned and a celebration of living with those lessons. Each tale will bring solace, comfort, and joy to readers, and inspire and teach them how to record their own stories. It will bring readers through guilt, fear, and forgiveness to reach personal transformation.

Wegscheider-Cruse knows that it's not always easy to tell our stories; they can be scary or feel too private. But, as we grow older, we find courage and confidence by deciding to become "a teller of the truth." Our sharing is the legacy that we leave to family and friends; *Becoming a Sage* is the remarkable legacy Wegscheider-Cruse leaves to us all.
