Sophia can't believe she's being dragged to a family camping trip. At least her dad's best friend, Derek, will be coming along. The **mature and experienced** man is everything she could want in a boyfriend: strong, loyal, and just a little rough around the edges. She's always done the right thing, but he makes her want to break all the rules.

Derek's got a deep moral code, the only thing between him and Sophia's **fertile curves**. When an accident leaves the two of them alone, will he be able to resist? Or will he show her what it means to misbehave, **hard and unprotected**?
