**From Book 1:** \*\*\*Havoc is the first installment of a three-part serial, each approximately 36000 words. (110 pages)\*\*\*

Selene Michaels is determined to never let anyone make her feel inferior again. After a painful divorce, she finds herself in Paris on a working holiday, hopeful that this will be the opportunity she has been waiting for. She intends to have fun and maybe find someone to flirt with; someone who will show her a good time, treat her right, and awaken her to all she has been missing. What she does not expect to find is Remington St. Germain and his adorable son, Adrien. Remington is intense, devastatingly hot and a Prince Charming on the outside, but a dirty talking, insatiable devil behind closed doors—the opposite of the man she has been hoping for—and not the type to give up on something that he wants. Selene soon realizes that life with Remington is not only interesting, but adventurous. It's dangerous, and she's about to find out how dangerous. . . if she is brave enough to take a chance.

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Havoc (3 Book Series) can make you experience more interested to read.
