The classic ultra-splatter roadtrip in the spirit of Natural Born Killers and The Devil's Rejects. Roxie is the goth girl of your dreams. There's just one problem-

she's batshit crazy and has a fetish for murder. After a petty insult at a gas station, she goes on a murder spree, hunting down those that pissed her off. But

she's not the only monster on the road. There are others out there killing and raping. And everyone's headed to the same beach house. A desolate vacation

getaway with no neighbors and no one to hear the screams. Deadite Press is proud to bring back Bryan Smith's nasty novel of murder, torture, and the darkest

side of human nature-The Killing Kind
