Mar Rosás

**Mesianismo en la filosofía contemporánea: De Benjamin a Derrida (Spanish Edition)** Mar Rosás

Este ensayo nos invita a explorar la asombrosa presencia de nociones mesiánicas procedentes de la tradición judeocristiana en la filosofía continental contemporánea. Mar Rosàs muestra cómo, en el último siglo, la lógica mesiánica ha pasado de articular la visión de una comunidad que anhela la llegada de un salvador a aliarse con un cierto marxismo para configurar las propuestas de la izquierda más radical, a instalarse en el seno de una filosofía del lenguaje que celebra el fenómeno de la muerte de Dios y a contribuir a la reformulación de determinados postulados del psicoanálisis.

La autora se fija especialmente en las concepciones del tiempo y de la ley en la lógica mesiánica. ¿Qué distingue el tiempo histórico del tiempo mesiánico? ¿Tiene una dirección, el tiempo? ¿Debemos intentar alcanzar un final de la historia en el que se resuelvan las tensiones que actúan como su motor? Por otro lado, ¿en los relatos mesiánicos, la ley constituye un obstáculo o un medio para alcanzar la redención? ¿Qué sucede con ella en el tiempo mesiánico? ¿Es abolida? Esta transformación, ¿qué nos permite comprender sobre los mecanismos de la ley en nuestro mundo?
