Sweet Heaven is a book that has the best of both worlds: sweets and God's word. This long time project was born more than three years ago when the author was hosting a life group called "icraft with Sara," where the girls got together to study God's word and work with handicrafts. Sara was always developing messages that would fit the project the girls were working on at the time. Then God placed the dream in her heart to make this book as a tool to reach and bless people independent of their walking in life. Each project has a related message that will warm your heart and make God real-even more tangible to all of us. It's a wonderful gift for those that know God but don't have a close personal relationship with Him.
