Cornel West, Eddie S. Glaude Jr.

African American Religious Thought: An Anthology Cornel West, Eddie S. Glaude Jr.

Believing that African American religious studies has reached a crossroads, Cornel West and Eddie Glaude seek, in this landmark anthology, to steer the discipline into the future. Arguing that the complexity of beliefs, choices, and actions of African Americans need not be reduced to expressions of black religion, West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class, gender, sexual orientation, race, empire, and other values that continue to challenge our democratic ideals.
