El hombre de las dos patrias (Spanish Edition)

Javier Reverte

El hombre de las dos patrias (Spanish Edition) Javier Reverte

«Albert Camus fue uno de los escritores del siglo XX que más me emocionaron y yo creo que le debía un pequeño homenaje. Así que un día de invierno, cuando iban a cumplirse los cien años de su nacimiento, decidí buscar sus huellas en Orán y en Argel, las ciudades donde situó las tres grandes obras de las que, fundamentalmente, habla este libro: El extranjero, La peste y El primer hombre.

Camus era un francés, con unas gotas de sangre española, nacido en territorio argelino, un pied-noir. De modo que este es un trabajo sobre un hombre que nació entre dos patrias, que alentó dos almas, que vivió, pensó y escribió contracorriente.»

La vida para Javier Reverte es como su literatura, una aventura, dos palabras que riman en varios idiomas. Ha pisado los cinco continentes y navegado todos los océanos y la mayor parte de los grandes ríos de la tierra. Y de todo ello ha dado fe en magníficos libros como la Trilogía de África, En Mares Salvajes, Corazón de Ulises, El Río de la Luz, Canta Irlanda o Un Verano Chino, que le convierten en el autor de referencia de la literatura viajera en español. Es autor, además, de celebradas novelas como El Médico de Ífni, La Noche Detenida, Todos los Sueños del Mundo y El Tiempo de los Héroeos. Ha publicado también dos poemarios: Trazas de Polizón y Poemas africanos.
