Lending a note of completeness and unity to any visual display, border designs are among the most needed graphic elements in commercial art — indeed, a printed announcement or advertisement can hardly be considered finished without one!

This attractive and practical collection of ready-to-use borders features 16 different decorative floral designs ranging in style from dainty to bold, suitable for many graphic applications and especially useful for Mother's Day, Easter, spring, and summer fashions. Artfully composed of hundreds of floral modules in many different styles and widths, these royalty-free design systems provide graphic artists with all the components they need to create just the right size and shape border or frame.

Since the designs are royalty-free, they may be used without permission from the publisher. Save time and money while adding impact to any project with these crisp black-and-white floral border designs.
