Once she was Annika Hansen, an innocent child assimilated by the fearsome, all-conquering Borg. Now she is Seven of Nine, a unique mixture of human biology and Borg technology. Cut off from the collective that has been her only reality for most of her existence, and forced to join the crew of the "Starship Voyager"™, she must come to grips with her surprising new environment -- and her own lost individuality. Seven of Nine has already captured the imagination of fans all over the world. Now the most sensational new character of the twenty-fourth century stars in her first full-length novel. Resistance is futile.
