Steal the Night (Thieves) Lexi Blake

She was born to be a thief. To save the world, she will have to become a queen... Zoey Donovan-Quinn is growing restless. After months of searching, her crew hasn't been able to locate the resting place of the one man who could save Daniel. While they frantically continue their quest, Zoey is still struggling to recover from the devastating losses she suffered in Faery. In the midst of her grief and worry, Louis Marini appears and demands the Blood Stone he forced Zoey to steal. Zoey has no other choice than to hand it over. When the giant ruby's true nature is revealed, Zoey discovers she has given their greatest enemy a weapon of unimaginable power. Equipped with the Blood Stone, Marini intends to dominate the supernatural world and, on a more personal note, claim Zoey as his companion. Desperate and on the run, Zoey, Dev, and Daniel forge an unlikely alliance with an old adversary who claims he can lead them to the wizard who can free Daniel from Marini's clutches and help him claim his throne. As they race to solve a thousand-year-old mystery and gather their forces for the ultimate battle, Zoey prepares to do what she does best. If Daniel and Dev are to have any hope of victory, she will have to do the unthinkable... surrender to Louis Marini and steal back the Blood Stone.
