The Norton Anthology of Drama (Second Edition) (Vol. 2)

The Norton Anthology of Drama (Second Edition) (Vol. 2)

The only anthology of drama that's a Norton.

The leading anthology of drama offers the most generous collection of major works (66 plays in all, 7 of them new) along with carefully prepared introductions, annotations, and texts. With a newly conceived illustration program focused on contemporary performance and a new color feature, "Plays in Performance," the Second Edition now brings the stage to the page more vividly than any other anthology.
