GENRE: Children's Adventure Author Note: This short story is for your reading pleasure. The characters in this "Minecraft Adventure Series" such as Steve, Endermen or Herobrine...etc are based on the Minecraft Game. Steve is on a course to the End where he is destined to have a showdown with the mysterious enemies that await him in the End. But first, he must defeat the masters among the Endermen. A friend he once mistook for a hacker now guides him, speaking in riddles all the while. At his side is his trusted canine companion, Growls, who has saved his life countless times. Now, however, he must risk losing that life yet again as he draws ever closer to his ultimate fate. Join Steve as he crafts a sea-faring vessel, battles snow golems, explores the risk-laden canopies of a jungle, and delves into otherworldly portals to learn the secrets of the universe and the purpose of his toils. His goal: to collect five Eyes of Ender. To solve the riddles of Herobrine. To face the greatest threats of Minecraft. This third and final chapter in Steve's story challenges him to continue moving forward despite all odds. Steve will die unless he can become the hero he once believed himself to be, overcoming adversity even in the wake of losing everything he loves.
