To the Ends of the Earth: Pentecostalism and the Transformation of World Christianity (Oxford Studies in World Christianity) Allan Heaton Anderson

No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest pentecostal congregations in the world are in South Korea.

In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an "ends of the earth" movement--pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the "health and wealth" gospel, and he explores the increasing involvement of pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the "born-again" experience, incessant evangelism, healing and deliverance, cultural flexibility, a place-to-feel-at-home, religious continuity, an egalitarian community, and meeting material needs--all of which contribute to Pentecostalism's remarkable appeal.

Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide.

Ann Strickland:

This To the Ends of the Earth: Pentecostalism and the Transformation of World Christianity (Oxford Studies in World Christianity) is great reserve for you because the content that is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great organize word or we can point out no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with wonderful delivering sentences. Having To the Ends of the Earth: Pentecostalism and the Transformation of World Christianity (Oxford Studies in World Christianity) in your hand like finding the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen moment right but this publication already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

Robert King:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's

country. Therefore this *To the Ends of the Earth: Pentecostalism and the Transformation of World Christianity* (Oxford Studies in World Christianity) can make you truly feel more interested to read.
