Jessie's Wedding Kathryn Quick

When Jessie O'Brien was a little girl she walked down the aisle as a flower girl with Jarrett Collins. In the years that followed she always believed that he would be the man she'd marry. Instead, she received a broken heart when he suddenly left her without any explanation. Now a successful physician, Jarrett has come to Wisconsin for a change, both in his life and his career. Jessie is now a hospital administrator at the very hospital Jarrett works. She is shocked to see him again. He tells Jessie one of the reasons he came to Wisconsin was to find her. Unwilling to be hurt again and unsure of his motives, Jessie informs Jarrett that he better not expect to begin where they left off. As Jarrett opens up to her, Jessie falls in love with him again. They are magical moments that remind them both of what they had and what they let slip away. Tiny expressions of caring, impetuous kisses and undeniable attraction bring Jessie and Jarrett full circle into each other's hearts.
