The Hunt For Margaret Thatcher's Assassin Geoffrey Gilson

An explosive tale of suspense and drama, as the author dodges bullets, the CIA and a crazy Israeli Intelligence agent, in his real-life, rollercoaster quest to hunt down the key to the deep, dark secret which will rock the governments of both Great Britain and the United States, and trigger the political scandal of the century. As it becomes clear that, for thirty years, US Presidents have circumvented US law and Congressional oversight, by using their staunchest ally, Great Britain, to act as their hired gun in fighting illicit unconventional warfare around the globe, in aggressive pursuit of covert US foreign policy.
