The Reunion Dan Walsh

There are people in this world we pass right by without giving a second thought. They are almost invisible. Yet some of them have amazing stories to tell, if we'd only take the time to listen . . .

Aaron Miller was an old, worn-out Vietnam vet, a handyman in a trailer park. Forty years prior, he saved the lives of three young men in the field only to come home from the war and lose everything. But God is a master at finding and redeeming the lost things of life. Aaron is about to be found. And the one who finds him just might find the love of his life as well.

Expert storyteller Dan Walsh pens a new tale filled with the things his fans have come to love--forgiveness, redemption, love, and that certain bittersweet quality that few authors ever truly master. Fans old and new will find themselves drawn into this latest story about how God cares for everyone.
