**Walk Away Joe** Cindy Gerard  
A CINDY GERARD CLASSIC!

In this classic Cindy Gerard novel, *Walk Away Joe* (formerly published as *The Cowboy Takes A Lady*), Cindy revisits one of her favorite couples of all time. If you missed this book when it came out several years ago, here's your chance to fall in love with these two outstanding characters and their touching love story.

Tucker Lambert finally has his own piece of the pie thanks to the trust of a friend who has faith in him. Now he's training cutting horses on his sweet little Texas ranch that he calls Blue Sky. But the skies turn dark and brooding when his friend asks him to let troubled ER nurse, Sara Stewart, stay in the little guest casa while she heels.

Sara isn't happy to be at Blue Sky. She's particularly troubled by her proximity to Tucker Lambert. She has enough trouble without dealing with the drifter turned rancher with a history of being down on his luck and a habit of breaking hearts.

She wasn't worried about her heart. Just like the rest of her, she was already broken. But as much as this burned out nurse and her reluctant host try to avoid each other, fate has something else planned.

Can two wounded souls find solace and love in each other – or will the dark secrets of their pasts ruin any hope for a happily ever after.
