This text focuses on the timing as a definitive factor in successful marriage relationships. This book should engage even the most advanced student of astrology in search of the perfect mate. It guides the reader through the process of identifying what they need in a marriage partner and the most favourable times to meet that partner based on transits to the natal chart. Clear instruction on comparing your chart with that of a potential mate is provided. This match-making system is laid out chapter-by-chapter, with instruction progressing from the basics - like the natal chart and compatible signs - to fine tuning with Sun-Moon midpoints, chart linkups and Arabian parts. By the time the reader reach's the latter parts, they should be able to confirm with exactness whether or not a particular person is "the one".
