Women's Health in Clinical Practice: A Handbook for Primary Care (Current Clinical Practice)

Women's Health in Clinical Practice: A Handbook for Primary Care (Current Clinical Practice)

This book clearly elucidates many of the key issues found in the disparate literature on sex-based differences in health and illness. It provides primary care clinicians with a practical, up-to-date source of information that can lead to optimal, targeted care for women. Among the topics examined in this comprehensive volume are treating and preventing osteoporosis, diabetes, cervical cancer, eating disorders, and more.
